

<b>The employee</b>		<b>The manager</b>
shows confidence	do or say something. he exposes himself intrusting the manager with his x. Appeal to the manager ...	
experiences security		takes care of the exposure. Show consideration for x.
feels respected		does not exceed the employees limits, but meddles with him just right.
takes responsibility	dare something more. is ready to handle a larger area.	
experiences self-confidence	relies more on himself, feel more trust in himself	
feels recognised		approves of or perhaps appreciates the employees efforts
experiences self-esteem	experiences his power or morale boosted.
